Heating Piping & Air Conditioning

Index for 1957
Vol. 29, Nos. 1-12

INDUSTRIAL • COMMERCIAL • INSTITUTIONAL • PUBLIC BUILDINGS

. . . including the Journal of the
American Society of Heating and Air-Conditioning Engineers

"Most Informative, Most Authoritative, Most Quoted"

HEATING, PIPING & AIR CONDITIONING regularly runs more pages of editorial material on the subjects of heating, piping, and air conditioning in industrial, commercial, institutional, and public buildings than any other publication. During 1957, for example, there were 251 editorial pages on heating, 158 editorial pages on piping, and 466 editorial pages on air conditioning — in addition to many, many editorial pages of news, equipment developments, a complete Directory Section, two Show Sections, etc. . . . . By actual count, articles in HPAC are "most quoted" in the leading text-books and hand-books in the field. . . . . HPAC's articles are written by authorities actively engaged in the field served.

For convenient use, the articles indexed have been classified and subclassified under the major headings and under subheadings. They have also been classified as general, fundamental, and by types of plants and buildings. There is also an index by authors.

ABC ABP MPA

[Heating, Piping & Air Conditioning is indexed regularly by Engineering Index, Inc., and Industrial Arts Index, and is micro-filmed by University Microfilms.]

Heating, Piping & Air Conditioning is published monthly by Keeney Publishing Co., 6 N. Michigan Ave., Chicago 2, Ill.

Heating, Piping & Air Conditioning

January-December 1957—Volume 29, Nos. 1-12

Published monthly by the Keeney Publishing Company, 6 N. Michigan Ave., Chicago 2, Ill.

The index to the JOURNAL SECTION of the AMERICAN SOCIETY OF HEATING AND AIR-CONDITIONING ENGINEERS is separate (see page xxiv).

This index does not include Equipment Developments; Recent Trade Literature; Meetings & Conventions; Who's What—departments appearing regularly in each issue. The Editors' Pages in each issue include items of news, comments on current events, etc. In the January issue a complete directory section was published covering heating, piping and air conditioning equipment for industry and large buildings.

SUBJECT INDEX

AIR CONDITIONING

General

ARI Show Features Air Conditioning ..... November 150
Addresses of Engineering Societies, Associations ..... May 133
Air Condition Bank of The Southwest, by Guy Furgiuele ..... April 104
Air Condition New Library At University of Michigan ..... February 179
Air Conditioning Aids Ammunition Storage ..... July 85
Air Conditioning Most Named in Office Survey ..... December 66
Air Conditioning, New Lighting Save Space In New Office Building ..... September 138
Air Conditioning in 1957 Show Draws Record Crowd ..... April 83
Air Conditioning Sales in 1957 Aim For $3½ Billion ..... February 137
Air Conditioning Soaring, Survey Shows ..... April 126
Air Source Heat Pump Air Conditions Office Building ..... May 90
Antismog Research Reveals Auto Exhaust Gas Purifier ..... October 80
August Building Soars to All-Time Record High ..... October 79
Auto Air Conditioning Double in First Quarter of 1957 ..... September 81
Avoid Technical Jargon If You Write to Be Read ..... March 84
Big Natural Spring Cuts Cooling Cost ..... September 82
Building Outlays, Future Contracts Rise ..... August 63
Building Outlays Keep Up, But Future Contracts Lag November 101
Central Air Conditioning Tops $1/2 Billion in 1956 ..... August 63
Complete Air Conditioning of Chicago's Conrad Hilton ..... October 79
Complete Air Conditioning Set for The Conrad Hilton Hotel ..... February 137
Compressor Shipments Gain 32 Percent in 1956 ..... May 82
Compressor Shipments Up 36 Percent for First Nine Months ..... February 138
Compressor Shipments Up 37 Percent in 1956 ..... April 84
Contractor Groups Form Joint Policy Committee ..... November 101
Construction Awards Set All Time March Record ..... June 86
Construction Awards Up 4 Percent in January ..... April 83
Construction Contracts Drop 3 Percent in February ..... May 82
Construction Cost Index Shows Third Quarter Rise ..... December 66
Construction Slowdown? November Awards Drop ..... January 178
Cost of Heating, Ventilating for N.Y.C. Rises ..... August 63
Current Construction Outlays Rise 11 Percent in May ..... July 85
Dissolved Gases Made Cooling Tower Water Corrosive ..... July 96
Don't Wire Conditioner to Room's Light Switch ..... July 86
Engineering Societies Purchase N. Y. Site for New Headquarters ..... September 81
Engineers Must Be Versatile Today ..... August 64
Engineers, Others Needed As Patent Examiners, by Henry E. Sharpe ..... October 84
Factory Air Conditioning Acceptance Not Far Away, Survey Shows ..... March 83
15 Percent Rise Seen for Air Conditioning in 1957 ..... January 130
1500 Ton Portable System Conditions Club House ..... July 86
Firm's Library Organized for Ready Reference ..... June 85
Four Compressor Units Serve Garden State Plaza ..... August 64
Future Construction Contract Awards Drop 9 Percent in April ..... July 85
Heating, Piping & Air Conditioning Directory Section Coming in January ..... December 65
Heating, Piping & Air Conditioning Index for 1957 Available Soon ..... December 66
John A. Holbrook Joins Heating, Piping & Air Conditioning Editorial Board ..... July 86
Horizontal Units Condition New Dallas Mart ..... July 124
Hospital Construction Up 54 Percent ..... September 81
Hotel Syracuse To Be Fully Air Conditioned ..... April 84
How Buildings Figure Air Conditioning Expense ..... January 130
Hydronics Is New Name for Hot Water Heating-Cooling ..... July 86
Los Angeles Industries Switch to Gas on Smoggy Days to Reduce Air Pollution ..... December 94
"Master Plan" Trend Up for Air Conditioning ..... March 84
Mechanical Equipment To Top 12 Story Bank ..... February 137
New Construction Activity at Record February High ..... April 84
New Jail Cells Air Conditioned Year 'Round ..... September 81
1957 Construction May Top $64 Billion ..... May 81
Observe ABC Anniversary; Bureau is 42 This Month ..... October 80
1250 Ton System Conditions Cleveland Auditorium, by Vincent Eaton ..... April 95
Orders for Large Equipment Up 18 Percent ..... June 85
Package Air Conditioner Sales to Rise ..... August 74
Proclaim October 6-12 Fire Prevention Week ..... October 80
Purdue Dedicates Center for Basic Climate Study ..... January 129
See 5 Percent Increase In Dollar Volume in 1958 ..... December 65
Sees Piping Color Code Safety Imperative ..... March 84
75 Percent of Offices in N.Y. Now Air Conditioned ..... June 85
650 Ton System Conditions Grandstand ..... June 86
Standardize Ratings for Air Moving Equipment ..... October 79
Strengthen Definition of Air Conditioning ..... June 86
Study Predicts Shortage of Graduate Engineers Until 1960 ..... December 66
2000 Ton System To Condition Illuminating Building ..... May 82
Unique Form for Tabulating Weather Data ..... September 82

Fundamental

Air Conditioning Soaring, Survey Shows ..... April 126
Aluminum Piping + Snap-On-Panels = Constant Comfort in Alcoa Offices, by Neil B. Walsh and Bartlett R. Small ..... March 128
Apprentices Vie for Top Scores, Awards While Instructors Bone Up ..... October 102
Bidders' Incomplete Specs Cause Confusion, Misunderstanding, by C. T. Baker ..... November 137
Building Expansion, Environmental Needs Demand Unique Sys-

tem Design for Air Conditioning Animal Research Lab, by Robert V. Garner ..... December 86
Childs & Smith Get Award For ADA Building Work ..... May 81
Combined Sealed Cooling Units Cut Air Conditioning Costs, by Frank M. Seay ..... August 79
Confessions of a Consulting Engineer, by Samuel R. Lewis ..... June 127
Confessions of a Consulting Engineer, by Samuel R. Lewis ..... July 125
Confessions of a Consulting Engineer, by Samuel R. Lewis ..... August 83
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by K. M. Wilson, May 1956 — discussion on by W. M. Flanagan ..... March 87
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by K. M. Wilson, May 1956 — discussion on comments published on this subject, November 1956, by Albert Giannini ..... March 87
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by Kenneth M. Wilson, May 1956 — discussion on by N. E. Jennison ..... April 88
Does It Have the Right Motor? by H. G. Nafe ..... January 167
Does It Have the Right Motor? by H. G. Nafe ..... February 166
Double Duct High Velocity Air Conditions New Six Story Addition and Office Building of the American Dental Association, by James H. Stiggleman ..... February 160
18 Zone Cooling Modernizes a 9 Story Hotel ..... August 100
Facing the Problems of Skyscraper Air Conditioning ..... June 132
Five Systems Distributed Conditioned Air in Glass Sheathed Bank, by Vincent A. Bianculli ..... October 100
550 Ton Steam Absorption System Conditions New Hospital ..... September 128
For Greater Comfort, Furnishings Should be Poor Heat Conductors, by Paul L. Geiringer ..... January 134
440 Ton Peak Load Storage System Conditions Church, by David C. Pfeiffer ..... May 110
420 Ton Direct Expansion System Air Conditions Union League Club, by Deane E. Perham ..... February 151
Four Separate Systems Used to Condition New Chicago Church ..... February 190
Government to Air Condition Most Buildings in Next Decade ..... May 97
Heating, Piping & Air Conditioning Services: the Workhorses of Automation ..... December 92
Here's How Field Building is Being Air Conditioned ..... February 157
Here's How Flexible Systems Serve 158 Unit Lab, by E. W. Hollister ..... October 98
Here's How Steam Powers Air Conditioning in New City Hall, by Warren G. Moses ..... November 113
Here's What Was Done in the New Prudential Building ..... February 159
How Are They All Air Conditioned? by Lewis Smith ..... July 120
How to Balance High Velocity Air Conditioning Systems, by William J. Waeldner ..... March 152
How to Balance High Velocity Air Conditioning Systems, by William J. Waeldner ..... May 130
How to Balance High Velocity Air Conditioning Systems, by William J. Waeldner, March, 1957 and May, 1957 — discussion on by W. L. Batchelor ..... July 91
How to Balance High Velocity Air Conditioning Systems, by William J. Waeldner, March, 1957 and May, 1957 — discussion on by N. S. Shataloff ..... June 89
How to Balance High Velocity Air Conditioning Systems, by William J. Waeldner, March, 1957 and May, 1957 — discussion on comments by N. S. Shataloff, June, 1957 and W. L. Batchelor, July, 1957, by William J. Waeldner ..... December 69
How Boeing Operates and Maintains Plant Heating and Air Conditioning ..... July 137
How Boeing Operates and Maintains Plant Heating and Air Conditioning ..... August 110
How Can I Collect from Client?—Client Needs More Selling; Completely Review Transactions With Him, by Fred Kull ..... February 148
How Can I Collect from Client?—Delivery Problem, Not Sales Program; Change Thermostat Reading, by Siegfried Ruppright ..... January 136
How Can I Collect from Client?—Educate Client in Fundamentals; Show Capacity is 13 Percent Above Specs, by K. R. Goddard ..... January 140
How Can I Collect from Client?—Similar Troubles Caused by Stack Effect and Cross Connected Controls, by Lee C. Gatewood ..... January 136
How Can I Collect from Client?—Queer Argument Takes the Cake; Contract Specs Make It Absurd, by Lewis Smith ..... February 146
How Can I Collect from Client?—Toys Relieve Tension, Help Explain Scientific Facts and Conditions, by Thomas McLaughlin ..... February 146
How Can I Collect from Client?—November 1956—discussion on by Osk. R. Gaube ..... April 87
How Can I Collect from Client? November 1956—discussion on by Louis P. Truchon ..... April 87
How to Control Vibration In Office and Apartment Buildings, by T. R. Finn ..... May 122
How Government's Air Conditioning Program Is Shaping Up—Hospital Air Conditioning Must Meet Changing Medical Conditions ..... June 121
How Government's Air Conditioning Program Is Shaping Up—How Defense Dept.'s Air Conditioning Program Looks ..... June 119
How Government's Air Conditioning Program Is Shaping Up— ..... July 128
How to Install Centrifugal Fans, by R. G. Lubinsky ..... January 158
How Much Air Conditioning in 1957? by George S. Jones, Jr. ..... January 148
How Trial and Error Evaporative Cooling Pioneered Air Conditioning, by Logan Lewis ..... June 112
How Trial and Error Evaporative Cooling Pioneered Air Conditioning, by Logan Lewis, June, 1957—discussion on by S. F. Duncan ..... August 67
How, Where and When to Use Air Cooled Condensers, by Warren Viessman, September 1956—discussion on by Thomas A. Lowe ..... April 88
How, When, and Where to Use Air Cooled Condensers, by Warren Viessman, September 1956—discussion on by J. Matsumoto ..... June 90
How, When, and Where to Use Air Cooled Condensers, by Warren Viessman, September 1956—author reply to comments by J. Matsumoto, June 1957, Warren Viessman ..... June 90
Individual Zone Control Panels Serve New $4 Million Hospital, by J. M. Paquet ..... November 128
Inland Steel Building Is Doing It This Way ..... February 158
It Couldn't Be Air Conditioned But They Did It! ..... September 122
Maintenance Job Is Changing Fast ..... April 120
Maintenance Job Is Changing Fast ..... May 114
Make Sure Bid-Taker is Authorized, by William Hurd Hillyer ..... October 115
Multistage Heat Pump to Heat and Air Condition New Plant ..... February 173
"Name Subcontractors in Bid" Urge Mechanical Contractors ..... July 102
New Cancer Research Hospital Has Separate Heating-Cooling Systems, by W. M. Andrews ..... February 176
New Electric Heating, Cooling Developments Marked at Conference—Don't Assume Economy Is Principal Feature ..... May 119
New Electric Heating, Cooling Developments Marked at Conference—Electricity to Heat School for 1200 Pupils ..... May 118
New Electric Heating, Cooling Developments Marked at Conference—High Air Quantity Is Heat Pump Advantage ..... May 119
New Electric Heating, Cooling Developments Marked at Conference—Interest in Commercial Space Heating Rises ..... May 118
1957: The Boom Rolls On ..... January 146
Oral Agreement Proves Costly, by William Hurd Hillyer ..... March 131
Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, by C. F. Mowrey ..... November 132
Plan $11 Million To Air Condition Illinois Bell Telephone, by C. C. Becher ..... February 154
Planning to Use Water for Air Conditioning Design? by John F. Hoffman ..... August 96
Power Shortage Hits Two Cities—Can It Happen Again Somewhere? ..... September 102
Predicts "Humiture" Will Become Universal Comfort Index, by Osborn Fort Hevener ..... October 83
Prime Contractor Obligated, by William Hurd Hillyer ..... August 99
Punch Cards Keep Air Conditioning Maintenance Under Tight Control, by A. E. Bohland ..... February 188
Record Construction Levels to Continue in 1957 ..... January 147

Report New Methods for Air Conditioning Large Buildings ... July 107
Single Large Air Handling Unit Conditions Newspaper Plant, by William E. Nanes ... June 99
Suggests Two Sets of Standards Be Adopted for Spec Writing, by E. W. Klein, Jr. ... August 67
Teamwork Must Cure Air Ills Now, by Raymond B. Allen ... April 124
Troubles and Suggestions, by Samuel R. Lewis ... September 138
U. S. Industries Hurt by Imports; Need Immediate Help ... December 82
Vexed by Range of Costs, Capacities, by C. T. Baker ... November 136
Want to Improve Your Technical Writing? by Kalman Steiner ... August 102
Wartime Brass Mill Expansion Part of Import Problem's Cause, by T. E. Veltfort ... December 84
What's Happening In Chicago in Heating and Air Conditioning Large Buildings ... February 157
Where Air Conditioning System Efficiency is a Must You Can Cut Maintenance Labor With Punch Card Record System ... October 112
Where to Put a 1000 Ton Air Conditioning System, by Charles E. Clain ... November 120

Cleaning, Dust Collection

Atmospheric Dust Costs $2 Billion Annually ... July 85
Confessions of a Consulting Engineer, by Samuel R. Lewis ... July 125
Continually Scour Air in New Atom Fuel Plant ... November 146
Facing the Problems of Skyscraper Air Conditioning ... June 132
Four Separate Systems Used To Condition New Chicago Church ... February 190
Heating, Piping & Air Conditioning Services: the Workhorses of Automation ... December 92
How Government's Air Conditioning Program Is Shaping Up — How Defense Dept.'s Air Conditioning Program Looks ... June 119
Individual Zone Control Panels Serve New $4 Million Hospital, by J. M. Paquet ... November 128
Plan $11 Million To Air Condition Illinois Bell Telephone, by C. C. Becher ... February 154
What Causes Oily Soot Problem? — Excess of Charged Ions in Air May Cause Soot to Agglomerate, by Howard C. Murphy ... September 88
What Causes Oily Soot Problem? — Is Precipitator Operating at Full Efficiency? Check Other Factors, by Paul M. Engle ... September 88
What Causes Oily Soot Problem? Lists Probable Sources, Offers Possible Solutions, by Robert F. Logsdon ... September 90
What Causes Oily Soot Problem? — Not Caused by Air Filters; Maybe Ducts Were Dirty Before, by W. B. Patterson ... September 90

Cooling

Air Conditioning Bank of The Southwest, by Guy Furgiuele ... April 104
Air Condition Public Sidewalk ... November 119
Air Conditioning Goes to the Hogs ... January 163
Air Conditioning Helps Heart Cases Live Longer ... May 128
Air Conditioning Modernizes Old City Market ... September 133
Air Curtain Entrances Grow Wider; Operation Becomes Automatic, by Edward E. Gygax ... October 124
Air Source Heat Pump Air Conditions Office Building ... May 90
Air Washer Type Evaporative Coolers Reduce High Heat Loads, by B. P. Edelman ... March 118
Air Washer Type Evaporative Coolers Reduce High Heat Loads, March 1957 — discussion on by Robert S. Ash ... November 105
"All-in-Ceilings" Panel System Heats, Cools New Office Building, by Ralph Stoetzel ... February 162
Aluminum Piping + Snap-On-Panels = Constant Comfort in Alcoa Office, by Neil B. Walsh and Bartlett R. Small ... March 128

Central Plants Condition Three Mills ... December 118
Childs & Smith Get Award For ADA Building Work ... May 81
Churches Swing to Air Conditioning in the North ... August 91
Combined Sealed Cooling Units Cut Air Conditioning Costs, by Frank M. Seay ... August 79
Confessions of a Consulting Engineer, by Samuel R. Lewis ... August 83
Cut Cost of Big Building Air Conditioning System Five Ways, by John J. Mann ... September 116
Data File ... January 179
Dedicate New IBR Lab ... September 106
Double Duct High Velocity Air Conditions New Six Story Addition and Office Building of the American Dental Association, by James H. Stiggleman ... February 160
18 Zone Cooling Modernizes a 9 Story Hotel ... August 100
Flexible Duct Units Supply Conditioned Air to Cars ... July 114
440 Ton Peak Load Storage System Conditions Church, by David C. Pfeiffer ... May 110
440 Ton Peak Load Storage System Conditions Church, by David C. Pfeiffer, May, 1957 — supplement by David C. Pfeiffer ... October 84
420 Ton Direct Expansion System Air Conditions Union League Club, by Deane E. Perham ... February 151
425 Ton Air Conditioning System Conditions Plant Office Building, by J. S. Hamel ... March 117
Four Separate Systems Used To Condition New Chicago Church ... February 190
Four Systems Condition U. S. Rubber Co. Building, by Lewis Smith ... April 132
14 Package Units Condition Resort Hotel ... November 144
550 Ton Steam Absorption System Conditions New Hospital ... September 128
Glass Encased Sun Screen Reduces Heat Gain ... October 119
Heat and Cool Areas of New Maintenance Hanger ... April 118
Heating, Cooling New Air Terminal, by Louis L. Hamig ... October 120
Here's How Steam Powers Air Conditioning in New City Hall, by Warren G. Moses ... November 113
Here's What Was Done in the New Prudential Building ... February 159
How Are They All Air Conditioned? by Lewis Smith ... July 120
How to Apply Semi-Rigid Duct Insulation for Heating and Air Conditioning Systems, by J. L. Mohun ... April 135
How 10 Cases of Wrong Design Were Corrected, by C. T. Baker ... April 107
How Thermal Factors Affect Comfort, by E. R. Kaiser ... August 109
How Trial and Error Evaporative Cooling Pioneered Air Conditioning, by Logan Lewis ... June 112
How Trial and Error Evaporative Cooling Pioneered Air Conditioning, by Logan Lewis, June, 1957 — discussion on by S. F. Duncan ... August 67
How, Where and When to Use Air Cooled Condensers, by Warren Viessman, September, 1956 — discussion on by Thomas A. Löwe ... April 88
How, When, and Where to Use Air Cooled Condensers, by Warren Viessman, September, 1956 — discussion on by J. Matsumoto ... June 90
How, When, and Where to Use Air Cooled Condensers, by Warren Viessman, September, 1956 — author reply to comments by J. Matsumoto, June, 1957 ... June 90
Inland Steel Building Is Doing It This Way ... February 158
It Couldn't Be Air Conditioned But They Did It! ... September 122
Kitchen Separately Conditioned at Swank Eatery by Central Station Unit ... March 113
Low Pressure Steam, Evaporative Cooling Serve New Artillery School, by E. W. Carroll ... May 109
Low Velocity Air Diffusers Serve Pharmaceutical Labs; Plant ... February 180
Many Types of Heating, Piping, and Air Conditioning Systems Serve New Kentucky Fair, Exposition Center, by Edward R. Ronald, Jr. ... May 102
Mechanic's Lien is Delicate Mechanism, by William Hurd Hillyer ... December 96
Modular Ceiling Cuts Cooling Load, by Lester T. Avery ... November 140
New Cancer Research Hospital Has Separate Heating-Cooling Systems, by W. M. Andrews ... February 176
Nine Package Units Condition Engraving Plant ... August 86

90 Remote 2 Ton Units Condition Saud's Royal Yacht, by K. F. Wennik ..... March 106
100 Ton Central System Conditions New Research Center, by E. Weller ..... June 134
1250 Ton System Conditions Cleveland Auditorium, by Vincent Eaton ..... April 95
Operating Hours for Air Conditioning ..... January 186
Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, by C. F. Mowrey ..... November 132
Package Units Provide Worker Comfort, November, 1956 — discussion on by James M. Purdy ..... March 88
Package Units Provide Worker Comfort, November, 1956 — discussion on by James M. Purdy ..... June 89
Piecemeal Ventilation Design Days Numbered, by James C. Barrett ..... June 128
Planning to Use Water for Air Conditioning Design? by John F. Hoffman ..... August 96
Power Shortage Hits Two Cities — Can It Happen Again Somewhere? ..... September 102
Report New Methods for Air Conditioning Large Buildings ..July 107
Rockefeller Center Boasts 15,382 Ton Cooling Capacity ..November 134
Roof Sprinklers Cut Solar Heat Gain, by J. A. d'Entremont and M. Bigelow MacPherson ..... November 149
School Cooling Ups Grades, Hikes Summer Enrollment ..November 102
See Bright Future For Factory Comfort Cooling .....December 65
Selfcontained Units Condition Sidewalks, Spur Sales .....April 113
Single Large Air Handling Unit Conditions Newspaper Plant, by William E. Nanes .....June 99
600 Ton Heat Pump System Creates "Eternal Spring" in Shopping Center .....January 143
Small Booster Pump Solves Coolant Pressure Problem ..... September 131
Solve Snags to Air Condition Nurses' Home .....October 122
Store Cooling: Employees Happy, Sales Up .....October 80
300 Ton Heat Pump System Serves New Office Building ..... September 104
To Complete Cooling of World's Tallest Building .....January 129
20 Ton Unit Conditions Instrument Plant .....August 105
22 Zones Solve Comfort Problem in New Glass Bank .....August 82
Two 25 Ton Package Units Condition Supermarket .....April 134
Watch for Unintentional Guaranties, by William Hurd Hillyer ..... July 134
Water Used for Cooling "Merely on Loan" .....November 102
Well Water Proves Good Supply Source For Heat Pump Installation in New Telephone Building, by R. J. Kramer ...October 91
What's Happening In Chicago in Heating and Air Conditioning Large Buildings .....February 157
Where to Put a 1000 Ton Air Conditioning System, by Charles E. Clain .....November 120

Distribution. Ventilation

Air Condition Bank of The Southwest, by Guy Furgiuele ...April 104
Air Curtain Entrances Grow Wider; Operation Becomes Automatic, by Edward E. Gygax ..... October 124
Air Washer Type Evaporative Coolers Reduce High Heat Loads, by B. P. Edelman ..... March 118
Air Washer Type Evaporative Coolers Reduce High Heat Loads, March 1957 —discussion on by Robert S. Ash ..... November 105
"All-in-Ceilings" Panel System Heats, Cools New Office Building, by Ralph Stoetzel ..... February 162
Aluminum Piping + Snap-on-Panels = Constant Comfort in Alcoa Offices, by Neil B. Walsh and Bartlett R. Small ... March 128
Approve Chicago's New Ventilation Code (reproduced in full) ..... December 97
Big Fans Ventilate Auto Body Plant ..... July 110
Building Expansion, Environmental Needs Demand Unique System Design for Air Conditioning Animal Research Lab, by Robert V. Garner ... December 86
Change in Location of Air Conditioning Unit Improves Duct Layout ..... August 88
Childs & Smith Get Award For ADA Building Work .....May 81
Continually Scour Air in New Atom Fuel Plant .....November 146
Cut Cost of Big Building Air Conditioning System Five Ways, by John J. Mann ..... September 116
Damper Location Is Key to Balancing Air Conditioning System, by Samuel R. Lewis ...May 101
Data File ..... January 179
Double Duct High Velocity Air Conditions New Six Story Addition and Office Building of the American Dental Association, by James H. Stiggleman ..... February 160
Duct Design Nomograph, by Robert W. Ruppert ... January 182
Fan Testing Facilities Flexible to Meet Needs at Texas Engineering Experiment Station ..... January 166
550 Ton Steam Absorption System Conditions New Hospital ..... September 128
Five Systems Distributed Conditioned Air in Glass Sheathed Bank, by Vincent A. Bianculli ..... October 100

General

Addresses of Engineering Societies, Associations ..... May 133
August Building Soars to All-Time Record High ..... October 79
Avoid Technical Jargon If You Write to Be Read ..... March 84
Building Outlays, Future Contracts Rise ..... August 63
Building Outlays Keep Up, But Future Contracts Lag ..... November 101
Central Atomic Heating Plants Coming Soon? ..... March 83
Construction Awards Set All Time March Record ..... June 86
Construction Awards Up 4 Percent in January ..... April 83
Construction Contracts Drop 3 Percent in February ..... May 82
Construction Cost Index Shows Third Quarter Rise ..... December 66
Construction Slowdown? November Awards Drop ..... January 178
Contractor Groups Form Joint Policy Committee ..... November 101
Cost of Heating, Ventilating for N.Y.C. Rises ..... August 63
Current Construction Outlays Rise

11 Percent in May ..... July 85
Engineering Societies Purchase N. Y. Site for New Headquarters ..... September 81
Engineers Must Be Versatile Today ..... August 64
Engineers, Others Needed As Patent Examiners, by Henry E. Sharpe ..... October 84
Firm's Library Organized for Ready Reference ..... June 85
Future Construction Contract Awards Drop 9 Percent in April ..... July 85
Gas Industry 1956 Peak Breaks All Records, 1957 to be Greater ..... February 192
Gas Industry Sales Show 8.6 Percent Increase in July, 1957 ..... November 101
Glass Block Wall Cuts Fuel Bill 25 Percent ..... March 126
Hard Coal Comeback: Is it Solid? ..... February 138
Heating, Piping & Air Conditioning Directory Section Coming in January ..... December 65
Heating, Piping & Air Conditioning Index for 1957 Available Soon ..... December 66
John A. Holbrook Joins Heating, Piping & Air Conditioning Editorial Board ..... July 86
Hospital Construction Up 54 Percent ..... September 81
Hydronics Is New Name for Hot Water Heating-Cooling ..... July 86
Mechanical Equipment To Top 12 Story Bank ..... February 137
Natural Gas Reserves Show Greatest Year Gain ..... July 127
New Construction Activity at Record February High ..... April 84
1957 Construction May Top $64 Billion ..... May 81
Observe ABC Anniversary; Bureau is 42 This Month ..... October 80
Oil Burner Shipments Rise 13 Percent ..... April 84
Oil Burner Shipments Up 3 Percent in 1956 ..... March 83
159,000 Classrooms Needed in 1957 ..... April 83
Orders for Large Equipment Up 18 Percent ..... June 85
Proclaim October 6-12 Fire Prevention Week ..... October 80
See 5 Percent Increase In Dollar Volume in 1958 ..... December 65
See Piping Color Code Safety Imperative ..... March 84
650 Ton System Conditions Grandstand ..... June 86
Study Predicts Shortage of Graduate Engineers Until 1960 ..... December 66
To Enforce Central Heating of New York Tenements ..... October 80
U. S. Industrial Activity Speeds Utility Gas Use ..... October 80
Underground Gas Storage Increasing Rapidly ..... August 63

Fundamental

Aluminum Piping + Snap-On-Panels = Constant Comfort in Alcoa Offices, by Neil B. Walsh and Bartlett R. Small ..... March 128
Apprentices Vie for Top Scores, Awards While Instructors Bone Up ..... October 102
Army's Old Heating Plants Go Modern, Efficient in Japan, by Willie Hammer ..... June 123
Avoid Mechanic's Lien Money Traps, by William Hurd Hillyer ..... June 135
Confessions of a Consulting Engineer, by Samuel R. Lewis ..... June 127
Data File ..... January 179
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by K. M. Wilson, May, 1956—discussion on by W. M. Flanagan ..... March 87
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by K. M. Wilson, May, 1956—discussion on comments published on this subject, November, 1956, by Albert Giannini ..... March 87
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by Kenneth M. Wilson, May, 1956 — discussion on by N. E. Jennison ..... April 88
Does It Have the Right Motor? by H. G. Nafe ..... January 167
Does It Have the Right Motor? by H. G. Nafe ..... February 166
Electrically Heat University Center, by Lester S. Ries ..... March 102
Fabricate 170 Tons of Piping, by W. W. Armstrong ..... September 120
For Greater Comfort, Furnishings Should be Poor Heat Conductors, by Paul L. Geiringer ..... January 134
Fuel Industries "Haven't Seen Anything Yet," by Clyde Williams ..... January 150
Fuel Oil Systems with Rotary Pumps, by M. K. Bond, October, 1956—discussion on by G. W. Bohn ..... February 141
Fuel Oil Systems with Rotary Pumps, by M. K. Bond, October, 1956—author replies to comments by G. W. Bohn, February, 1957 ..... February 141
Get It in Writing," by William Hurd Hillyer ..... November 145
Good English Is Essential, by William Hurd Hillyer ..... September 132
Heat Schools Electrically? by Robert Lee Boyd, December, 1956—discussion on by James M. Purdy ..... May 85
Heat Schools Electrically? by Robert Lee Boyd—December, 1956—author reply to comments by James M. Purdy, May 1957 ..... May 88
Heat Schools Electrically? by Robert Lee Boyd, December, 1956—discussion on by George L. Wigglesworth ..... December 70
Heat Schools Electrically? by Robert Lee Boyd, December, 1956—author replies to comments by George L. Wigglesworth, December, 1957 ..... December 70
Here's Why Solar Heating Lags, by R. C. Jordan ..... July 111
High Temperature Hot Water Pipe Sizing, by J. R. Kell ..... January 180
Hot Water Heating Pipe and Tube Sizing, by George D. Beals ..... January 179
How Boeing Operates and Maintains Plant Heating and Air Conditioning ..... July 137
How Boeing Operates and Maintains Plant Heating and Air Conditioning ..... August 110
How Can I Collect from Client? —Client Needs More Selling; Completely Review Transactions with Him, by Fred Kull ..... February 148
How Can I Collect from Client? —Delivery Problem, Not Sales Problem; Change Thermostat Reading, by Siegfried Ruppright ..... January 136
How Can I Collect from Client? —Educate Client in Fundamentals; Show Capacity is 15 Percent Above Specs, by K. R. Goddard ..... January 140
How Can I Collect from Client? —Similar Troubles Caused by Stack Effect and Cross Connected Controls, by Lee C. Gatewood ..... January 136
How Can I Collect from Client? —Queer Argument Takes the Cake; Contract Specs Make It Absurd, by Lewis Smith ..... February 146
How Can I Collect from Client? —Toys Relieve Tension, Help Explain Scientific Facts and Conditions, by Thomas McLaughlin ..... February 146
How Can I Collect from Client? November, 1956—discussion on by Osk. R. Gaube ..... April 87
How Can I Collect from Client? November, 1956—discussion on by Louis P. Truchon ..... April 87
How Can Makeup Air Be Heated? — Investment, Operating Costs Dictate Use of Direct Gas-to-Air Exchanger, by H. B. Wayne ..... October 86
How Can Makeup Air Be Heated? — Waste Gases, Recirculated Water Are Two Ways, Latter Seen Best, by Sol Schwartz ..... October 86
How Can Makeup Air Be Heated? by Sol Schwartz and H. B. Wayne, October, 1957—discussion on by Paul M. Sturges ..... December 69
How Facts Help City Control Smoke, by Samuel R. Lewis ..... March 127
How Should We Heat a Thawing Shed? — Infrared Gas Heaters Speed Thawing, Save on Fuel and Labor, by D. E. Henderson ..... August 72
How Should We Heat a Thawing Shed? — Oil Fired "Hot Dogs" Provide Large Radiating Area at Small Fuel Input, by R. J. Reed ..... December 74
How Should We Heat a Thawing Shed? — Suggests Using Oil or Gas Fired Burners, Hot Water Spray, by H. B. Wayne ..... July 94
How Thermal Factors Affect Comfort, by E. R. Kaiser ..... August 109
Looking at Electric Heating for Today and Tomorrow, by Samuel R. Lewis ..... January 178
Maintenance Job Is Changing Fast ..... April 120
Maintenance Job Is Changing Fast ..... May 113
Make Sure Bid-Taker is Authorized, by William Hurd Hillyer ..... October 115
Multistage Heat Pump to Heat and Air Condition New Plant ..... February 175
"Name Subcontractors in Bid" Urge Mechanical Contractors ..... July 102
New Electric Heating, Cooling Developments Marked at Conference — Don't Assume Economy Is Principal Feature ..... May 119

New Electric Heating, Cooling Developments Marked at Conference — Electricity To Heat School for 1200 Pupils ....May 118
New Electric Heating, Cooling Developments Marked at Conference — High Air Quantity Is Heat Pump Advantage ....May 119
New Electric Heating, Cooling Developments Marked at Conference — Interest in Commercial Space Heating Rises ... May 118
1957: The Boom Rolls On ....January 146
Nomogram Helps Find Outlet Area for Downward Jet of Heated Air ....January 187
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard ....June 102
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957 — discussion on by William B. F. Drew ..September 86
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957 — discussion on by Newman A. Hall ....September 86
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957 — discussion on by John W. Harris ....September 86
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957 — discussion on by Harold D. Haut ....September 85
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957 — discussion on by L. P. Herrington ....September 85
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957 — discussion on by John A. Holbrook ...September 85
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957 — discussion on by David M. Hummel ...September 86
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June 1957 — discussion on by J. R. McGibony ....September 86
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957 — discussion on by Douglas W. Orr ....September 86
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957 — discussion on by Albert W. Snoke ....September 85
Oral Agreement Proves Costly, by William Hurd Hillyer ....March 131
Penny-in-the-Slot Heaters Set British Public Boiling — Letter From London, by Lester S. Ries ....February 182
Record Construction Levels to Continue in 1957 ....January 147
Reflective Wall Lining Reduces Body Heat Loss In Arctic Structure, by C. P. Yaglou, Carlos E. Newton, and David W. Marble ....March 110
Reflective Wall Lining Reduces Body Heat Loss in Arctic Structure, by C. P. Yaglou, C. E. Newton, and D. W. Marble, March, 1957 — discussion on by Norman H. Ostrin ....October 84
Schoemann Speaks on Mutual Goals at Recent Mechanical Contractors Convention ....July 106
Specs Overlap: Contractors Fued, by William Hurd Hillyer ....January 177
Suggests Two Sets of Standards Be Adopted for Spec Writing, by E. W. Klein, Jr. ....August 67
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956 — discussion on by R. A. Parsons ....July 92
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956 — author reply to comments by R. A. Parsons, July, 1957 ....July 92
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956 — discussion on by Lewis Smith ....February 144
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956 — discussion on comments by Lewis Smith, February, 1957 by Willie Hammer ....April 87
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956—discussion on by Paul H. Yeomans ....February 141
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956 — author replies to comments by Paul H. Yeomans, February, 1957 ....February 144
Troubles and Suggestions, by Samuel R. Lewis ....September 138
U. S. Army's Old Heating Plants Go Modern, Efficient in Japan, by Willie Hammer ....July 135
U. S. Industries Hurt by Imports; Need Immediate Help ....December 82
Want to Improve Your Technical Writing? by Kalman Steiner ....August 102
Wartime Brass Mill Expansion Part of Import Problem's Cause, by T. E. Veltfort ....December 84
Was Heating, Piping & Air Conditioning Contractor Ousted? by William Hurd Hillyer ....February 187

District & Central

Army Vies with Nature To Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune ....December 77
Construction Teamwork Provides for Many Types of Heating ....December 88
Cut Cost of Big Building Air Conditioning System Five Ways, by John J. Mann ....September 116
District Heating Steam Sales Increase 6.3 Percent as reported at the 48th Annual Meeting of NDHA, by John F. Collins, Jr. ....August 84
Five Systems Distributed Conditioned Air in Glass Sheathed Bank, by Vincent A. Bianculli ....October 100
Individual Zone Control Panels Serve New $4 Million Hospital, by J. M. Paquet ....December 112
Natural Hot Springs Heat Iceland, by William J. Whatley ....April 99
Natural Hot Springs Heat Iceland, by William J. Whatley, April, 1957 — discussion on by W. L. Cooke ....May 86
Steam Pipe Line Construction Costs Reduced, NDHA Reports, by John F. Collins, Jr. ....September 111

Hot Water

"All-in-Ceilings" Panel System Heats, Cools New Office Building, by Ralph Stoetzel ....February 162
Construction Teamwork Provides for Many Types of Heating ....December 88
Data File ....January 179
Dedicate New IBR Lab ....September 106
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by K. M. Wilson, May, 1956 — discussion on by W. M. Flanagan ....March 87
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by K. M. Wilson, May, 1956 — discussion on comments published on this subject, November, 1956, by Albert Giannini ....March 87
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by Kenneth M. Wilson, May, 1956 — discussion on by N. E. Jennison ....April 88
Electrically Heat University Center, by Lester S. Ries ....March 102
First HTHW Job on Pacific Coast Heats New Douglas DC-8 Plant, by Donald T. Robbins and Hal Bateman ....March 120
Five Systems Distributed Conditioned Air in Glass Sheathed Bank, by Vincent A. Bianculli ....October 100
Going to Heat School with Hot Water, by Henry C. Millington ....September 124
HTHW Heats Air Base Seven Ways, by J. F. Gschwind and J. A. Bement ....April 110
Heating, Cooling New Air Terminal, by Louis L. Hamig ....October 120
Here's How Flexible Systems Serve 158 Unit Lab, by E. W. Hollister ....October 98
High Temperature Hot Water Pipe Sizing, by J. R. Kell ....January 180
Hot Water Heating Pipe and Tube Sizing, by George D. Beals ....January 179
How Can Makeup Air Be Heated? —Investment, Operating Costs Dictate Use of Direct Gas-to-Air Exchanger, by H. B. Wayne ....October 86

How Can Makeup Air Be Heated? Waste Gases, Recirculated Water Are Two Ways; Latter Seen Best, by Sol Schwartz ..... October 86
How Can Makeup Air Be Heated? by Sol Schwartz and H. B. Wayne, October, 1957 — discussion on by Paul M. Sturges ..... December 69
How Should Piping Be Connected Between Two Hot Water Storage Tanks? — Connect Tanks in Parallel To Equalize Storage, by James J. Coleman ..... June 92
How Should Piping Be Connected Between Two Hot Water Storage Tanks? — Cross Connect Pipe Lines So Both Tanks Function as One Unit, by Sheldon R. Higgins ..... June 96
How Should Piping Be Connected Between Two Hot Water Storage Tanks? — Provide Controls to Allow Withdrawing Water in a Stepwise Manner, by H. B. Wayne ..... June 92
How Should Piping Be Connected Between Two Hot Water Storage Tanks? by Sheldon R. Higgins, June, 1957 — discussion on by Sol Schwartz ..... November 105
How Should Piping Be Connected Between Two Hot Water Storage Tanks? by Sheldon R. Higgins, June, 1957 — author replies to comments by Sol Schwartz, November 1957 ..... November 105
How Should Radiators Be Connected In Reverse Return Systems? — Make Supply, Return Connections At Bottoms to Insure Operation, by I. D. Patterson ..... December 72
How Should Radiators Be Connected In Reverse Return System? — Pitch Headers in Direction of Flow; Install Vents to Relieve Air, Gases, by H. B. Wayne ..... December 72
I Converted These Systems To Forced Circulation Hot Water, by Samuel R. Lewis ..... December 95
Individual Zone Control Panels Serve New $4 Million Hospital, by J. M. Paquet ..... December 112
Lab Facilities Centralized To Speed Research, by Edward Greenwald ..... February 170
Modular Radiant Ceiling Makes Expansion Easy in New Hospital Wing, by Frank Sullivan ..... October 110
Multiple Plant's HTHW System Provides Direct Heating, Supplies Low Temperature Hot Water, Furnishes Process Steam ..... September 95
New Cancer Research Hospital Has Separate Heating-Cooling Systems, by W. M. Andrews ..... February 176
100 Ton Central System Conditions New Research Center, by E. Weller ..... June 134
Oxygen Scavenger Combats Boiler Tube Corrosion, by A. John Friedsam and Eric R. Woodward ..... January 164
Packaged Generators Heat New Air Terminal ..... April 134
Plan $11 Million To Air Condition Illinois Bell Telephone, by C. C. Becher ..... February 154
Portable Instruments Outmode Trial and Error Balancing of Central Hot Water Heating Systems, by J. P. Duffy and W. J. Bailey ..... November 142
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler ..... October 116
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957 — discussion on by Lee P. Hynes ..... November 106
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957 — discussion on by George G. Nash ..... November 106
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957 — discussion on by Kalman Steiner ..... November 106
Radiant Ceilings, Convection Solve School Heating Problems, by E. Jackson Whitman ..... August 90
600 Ton Heat Pump System Creates "Eternal Spring" in Shopping Center ..... January 143
300 Ton Heat Pump System Serves New Office Building ..... September 104
Well Water Proves Good Supply Source For Heat Pump Installation in New Telephone Building, by R. J. Kramer ..... October 91
Where Should Expansion Tank Be Connected? by Harry Terry ..... January 152
Where Should Expansion Tank Be Connected? by Harry Terry, January, 1957 — discussion on by D. N. Crosthwait ..... March 88

Steam (Including Vacuum & Vapor)

Army's Old Heating Plants Go Modern, Efficient in Japan, by Willie Hammer ..... June 123
Army Vies with Nature To Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune ..... December 77
Boiler Annunciator System Flashes Outages on Panel, by Tom D. B. Thomas, December, 1956 — discussion on by William F. Ryan ..... August 68
Boiler Annunciator System Flashes Outages on Panel, by Tom D. B. Thomas, December, 1956 — author replies to comments by William F. Ryan, August, 1957 ..... August 68
Boilers of River Packet Heat Kitimat Shore Buildings ..... July 99
Childs & Smith Get Award for ADA Building Work ..... May 81
Compare Two School Heating Systems, by Evert M. Johnson ..... November 117
Construction Teamwork Provides for Many Types of Heating ..... December 88
Data File ..... January 179
Double Duct High Velocity Air Conditions New Six Story Addition and Office Building of the American Dental Association, by James H. Stiggleman ..... February 160
550 Ton Steam Absorption System Conditions New Hospital ..... September 128
425 Ton Air Conditioning System Conditions Plant Office Building, by J. S. Hamel ..... March 117
Four Separate Systems Used To Condition New Chicago Church ..... February 190
HTHW Heats Air Base Seven Ways, by J. F. Gschwind and J. A. Bement ..... April 110
Having Trouble with Vacuum Pump? by Lewis Smith ..... September 139
Heat and Cool Areas of New Maintenance Hangar ..... April 118
Heating, Cooling New Air Terminal, by Lewis L. Hamig ..... October 120
Here's How Steam Powers Air Conditioning in New City Hall, by Warren G. Moses ..... November 143
Here's What Was Done in the New Prudential Building ..... February 159
How 10 Cases of Wrong Design Were Corrected, by C. T. Baker ..... April 107
Inland Steel Building Is Doing It This Way ..... February 158
Install Package Boilers at Grand Canyon ..... March 85
Lab Facilities Centralized To Speed Research, by Edward Greenwald ..... February 170
Low Pressure Steam, Evaporative Cooling Serve New Artillery School, by E. W. Carroll ..... May 109
Many Types of Heating, Piping, and Air Conditioning Systems Serve New Kentucky Fair, Exposition Center, by Edward R. Ronald, Jr. ..... May 102
Oral Agreement Proves Costly, by William Hurd Hillyer ..... March 131
Oxygen Scavenger Combats Boiler Tube Corrosion, by A. John Friedsam and Eric R. Woodward ..... January 164
Preheat Coils Freeze in '20 F Range, by Samuel R. Lewis ..... April 117
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler ..... October 116
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957 — discussion on by Lee P. Hynes ..... November 106
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957 — discussion on by George G. Nash ..... November 106
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957 — discussion on by Kalman Steiner ..... November 106
Rotary Oil Burners Fire Boilers in Hartford's Hotel Statler ..... May 96
Single Large Air Handling Unit Conditions Newspaper Plant, by William E. Nanes ..... June 99
Sizing Piping for Steam Supply and Condensate Return, by R. G. Lubinsky and M. J. Williams ..... January 184
22 Zones Solve Comfort Problem in New Glass Bank ..... August 82
U. S. Army's Old Heating Plants Go Modern, Efficient in Japan, by Willie Hammer ..... July 135
What's the Correct Way to Trap Steam Headers and Tracing Lines — Avoid Making the Trap Too Large, As Condensing Load Is Usually Small, by Robert M. Cumming ..... March 90
What's the Correct Way to Trap Steam Headers and Tracing Lines? — Many Engineers Have Worked Out Own Formulas;

Here are a Few Examples, by H. H. Maltbie ..... April 92

What's the Correct Way to Trap Steam Headers and Tracing Lines? — Place Traps Wherever Condensate May Collect; They May Require Support, by Edward T. Shadek ..... May 88

What's the Correct Way to Trap Steam Headers and Tracing Lines? — Put Traps at All Natural Drip Points and Between, Where Necessary, by T. H. Rea ..... April 90

What's the Correct Way to Trap Steam Headers and Tracing Lines? — Space Not Over 500 Ft Apart; Allow For High Condensation During Warmup, by H. B. Wayne ..... March 90

What's Happening In Chicago in Heating and Air Conditioning Large Buildings ..... February 157

Warm Air

Army Vies with Nature To Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune ..... December 77

Compare Two School Heating Systems, by Evert M. Johnson ..... November 117

Construction Teamwork Provides for Many Types of Heating ..... December 88

Church Heating System Designed by John D. Dillon ..... October 84

Forced Warm Air Heats New School, by Fred S. Dubin, June, 1956 — discussion on by E. K. Campbell ..... January 135

Forced Warm Air Heats New School, by Fred S. Dubin, June, 1956 — author replies to comments by E. K. Campbell, January, 1956 ..... January 134

How to Apply Semi-Rigid Duct Insulation for Heating and Air Conditioning Systems, by J. L. Mohun ..... April 135

How Can Makeup Air Be Heated? — Investment, Operating Costs Dictate Use of Direct Gas-to-Air Exchanger, by H. B. Wayne ..... October 86

How Can Makeup Air Be Heated? — Waste Gases, Recirculated Water Are Two Ways; Latter Seen Best, by Sol Schwartz ..... October 86

How Can Makeup Air Be Heated? by Sol Schwartz and H. B. Wayne, October, 1957 — discussion on by Paul M. Sturges ..... December 69

Install Direct Fired Heaters to Correct Negative Pressure ..... August 115

Nomogram Helps Find Outlet Area for Downward Jet of Heated Air ..... January 187

Tile Blocks Radiate Heat Through Floors As Warm Air Passes Through Blocks ..... September 137

PIPING

What's the Correct Way to Trap Steam Headers and Tracing Lines? — Many Engineers Have Worked Out Own Formulas; Here are a Few Examples, by H. H. Maltbie ..... April 92
What's the Correct Way to Trap Steam Headers and Tracing Lines? — Place Traps Wherever Condensate May Collect; They May Require Support, by Edward T. Shadek ..... May 88
What's the Correct Way to Trap Steam Headers and Tracing Lines? — Put Traps at All Natural Drip Points and Between, Where Necessary, by T. H. Rea ..... April 90
Which Should You Use — Steam or Electrical Tracing for Pipe Lines? by Lee P. Hynes, May, 1956 — author reply to comments by Ralph H. Cushing, August, 1956 ..... June 90

Refrigerant

Arc Weld 21 Miles of Steel Pipe for New Skating Rink ..... July 115
How 10 Cases of Wrong Design Were Corrected, by C. T. Baker ..... April 107
Interpret Pressure Piping Code ..... November 141
Many Types of Heating, Piping, and Air Conditioning Systems Serve New Kentucky Fair, Exposition Center, by Edward R. Ronald, Jr. ..... May 102

Semi-Solid

Pipe Line Transports Coal from Pit to Plant, by Clarence A. Dauber ..... September 108

Stainless Steel Piping, Equipment In Starch Plant Resist Corrosion ..... May 93
Weld 1500 Tons of Alloy Piping, by J. R. Phares ..... March 108

Steam

At What Rate Should Steam Lines Be Heated to Avoid Damage? — Need Good Condensation Drainage, Keep Within Safe Thermal Gradients, by Sabin Crocker ..... November 110
At What Rate Should Steam Lines Be Heated to Avoid Damage? — Piping Composition, Other Factors Govern Elasticity, Stress Levels, by H. B. Wayne ..... November 108
Calculating Pipe Stress Efficiently, by K. Hao Hsiao ..... September 98
Calculating Pipe Stress Efficiently, by K. Hao Hsiao ..... December 114
Data File ..... January 179
Determining Carbon Steel Piping Expansion, by Robert J. Rubey ..... January 181
Drips and Drains Vital To Safe, Efficient Piping Systems, by G. W. Hauck ..... November 138
How to Cut Maintenance Costs of Industrial Piping Systems, by Robert J. Pinske ..... January 174
How to Design Dual Piping Connections for Steam Lines, by G. W. Hauck ..... July 132
How Giant Brains Aid Piping Design, by John E. Brock ..... May 106
How Giant Brains Aid Piping Design, by John E. Brock ..... June 106
How Giant Brains Aid Piping Design, by John E. Brock ..... July 116
How Giant Brains Aid Piping Design, by John E. Brock, May, June, and July, 1957 — discussion on by Peter Strong ... October 83
How to Increase Efficiency Of Plant Piping Systems, by Robert J. Pinske ..... February 184
How to Increase Efficiency Of Plant Piping Systems, by Robert J. Pinske ..... March 124
How to Increase Efficiency Of Plant Piping Systems, by Robert J. Pinske ..... April 128
How to Increase Efficiency Of Plant Piping Systems, by Robert J. Pinske ..... May 120
How to Measure Piping Maintenance, by Robert J. Pinske ..... June 116
How to Measure Piping Maintenance, by Robert J. Pinske ..... July 126
How 10 Cases of Wrong Design Were Corrected, by C. T. Baker ..... April 107
How to Use Digital Computers to Calculate Piping Flexibility, by Tor Kolflat and K. E. Knapp ..... August 106
How to Use Digital Computers to Calculate Piping Flexibility, by Tor Kolflat and K. E. Knapp ..... November 124
Lab Facilities Centralized To Speed Research, by Edward Greenwald ..... February 170
Melt Snow at Toll Road Plazas, by Riley Shuttleworth ..... March 95
Melt Snow at Toll Road Plazas, by Riley Shuttleworth, March, 1957 — regarding omission of name of architect when article was published ..... May 86
Multiple Plant's HTHW System Provides Direct Heating, Supplies Low Temperature Hot Water, Furnishes Process Steam ..... September 95
Okay Changed Piping Practices Pending Code Revision ..... January 162
Piping "Trinkets" Increase Efficiency, Convenience, Economy, and Safety of Piping Systems, by G. W. Hauck ..... September 115
Piping "Trinkets" Facilitate Valve Operation, by G. W. Hauck ..... October 123
Provide for Future Piping Connections, by G. W. Hauck ..... December 111
Sizing Piping for Steam Supply and Condensate Return, by R. G. Lubinsky and M. J. Williams ..... January 184
Sizing Vent Piping for Safety Valves, by Max W. Benjamin, October, 1941 — discussion on by F. M. RePass ..... April 87
Stainless Steel Piping, Equipment In Starch Plant Resist Corrosion ..... May 93
What's the Correct Way to Trap Steam Headers and Tracing Lines?—Avoid Making the Trap Too Large, As Condensing Load Is Usually Small, by Robert W. Cumming ..... March 90
What's the Correct Way to Trap Steam Headers and Tracing Lines? — Many Engineers Have Worked Out Own Formulas; Here are a Few Examples, by H. H. Maltbie ..... April 92
What's the Correct Way to Trap Steam Headers and Tracing Lines? — Place Traps Wherever Condensate May Collect; They May Require Support, by Edward T. Shadek ..... May 88
What's the Correct Way to Trap Steam Headers and Tracing Lines? — Put Traps at All Natural Drip Points and Between, Where Necessary, by T. H. Rea ..... April 90
What's the Correct Way to Trap Steam Headers and Tracing Lines? — Space Not Over 500 Ft Apart; Allow For High Condensation During Warmup, by H. B. Wayne ..... March 90
Which Should You Use — Steam or Electrical Tracing for Pipe Lines? by Leo P. Hynes, May, 1956 — author reply to comments by Ralph H. Cushing, August, 1956 ..... June 90

Water

Chilled Water Cools Jet Fuel System Test Machines, by Ross Zumwalt ..... February 174
Having Trouble with Vacuum Pump? by Lewis Smith ..... September 139
Heat and Cool Areas of New Maintenance Hangar ..... April 118
Hot Water Booster Heaters: What Every User Should Know, by E. Spencer ..... November 159
How to Install Snow Melters Using Copper Water Tube, by N. W. Smith ..... May 126
How Should Piping Be Connected Between Two Hot Water Storage Tanks? — Connect Tanks in Parallel To Equalize Storage, by James J. Coleman ..... June 92
How Should Piping Be Connected Between Two Hot Water Storage Tanks? — Cross Connect Pipe Lines So Both Tanks Function as One Unit, by Sheldon R. Higgins ..... June 96
How Should Piping Be Connected Between Two Hot Water Storage Tanks? — Provide Controls to Allow Withdrawing Water in a Stepwise Manner, by H. B. Wayne ..... June 92
How Should Piping Be Connected Between Two Hot Water Storage Tanks? by Sheldon R. Higgins, June, 1957 — discussion on by Sol Schwartz ..... November 105
How Should Piping Be Connected Between Two Hot Water Storage Tanks? by Sheldon R. Higgins, June, 1957 — author replies to comments by Sol Schwartz, November, 1957 ..... November 105
Install Ramp Snow Melter at Indianapolis Airport ..... February 183
Short Pipe Over Tube Speeds Cleaning Job ..... February 183
30,000 Gpm Pump Ups Capacity to 184,000 Gpm, by Charles W. Granacher ..... June 130

BUILDING TYPE INDEX

FUNDAMENTAL TO ALL BUILDINGS

Air Conditioning Helps Heart Cases Live Longer ..... May 128
Air Conditioning in 1957 Show Draws Record Crowd ..... April 83
Air Conditioning Sales in 1957 Aim for $3½ Billion ..... February 137
Air Conditioning Soaring, Survey Shows ..... April 126
Apprentices Vie for Top Scores, Awards While Instructors Bone Up ..... October 102
Apprentice Training Pays Dividends at Standard Oil Company's Wood River, Ill. Refinery, by Brace H. Lambert ..... April 114
Apprentice Training Pays Dividends at Standard Oil Company's Wood River, Ill. Refinery, by Brace H.

Lambert, April, 1957 — discussion on by H. A. Sosnin .....May 86
Approve Chicago's New Ventilation Code (reproduced in full) .....December 97
At What Rate Should Steam Lines Be Heated to Avoid Damage? — Need Good Condensation Drainage; Keep Within Safe Thermal Gradients, by Sabin Crocker .....November 110
At What Rate Should Steam Lines Be Heated to Avoid Damage? — Piping Composition, Other Factors Govern Elasticity, Stress Levels, by H. B. Wayne ....November 108
Atmospheric Dust Costs $2 Billion Annually .....July 85
August Building Soars to All-Time Record High .....October 79
Auto Air Conditioning Double in First Quarter of 1957 .....September 81
Avoid Mechanic's Lien Money Traps, by William Hurd Hillyer .....June 135
Avoid Technical Jargon If You Write to Be Read .....March 84
Bidder's Incomplete Specs Cause Confusion, Misunderstanding, by C. T. Baker .....November 137
Building Outlays, Future Contracts Rise .....August 63
Building Outlays Keep Up, But Future Contracts Lag .....November 101
Calculating Pipe Stress Efficiently, by K. Hao Hsiao .....September 98
Calculating Pipe Stress Efficiently, by K. Hao Hsiao .....December 114
Central Air Conditioning Tops $1/2 Billion in 1956 .....August 63
Central Atomic Heating Plants Coming Soon? .....March 83
Charts for Designing Low Pressure, High Pressure Gas Piping Corrected — corrections suggested by R. V. Warrick in February, 1957 and March, 1957 .....July 92
Compressor Shipments Gain 32 Percent in 1956 .....May 82
Compressor Shipments Up 36 Percent for First Nine Months of 1956 .....February 138
Compressor Shipments Up 37 Percent in 1956 .....April 84
Confessions of a Consulting Engineer, by Samuel R. Lewis ....June 127
Confessions of a Consulting Engineer, by Samuel R. Lewis ....July 125
Confessions of a Consulting Engineer, by Samuel R. Lewis ..August 83
Construction Awards Set All Time March Record .....June 86
Construction Awards Up 4 Percent in January .....April 83
Construction Contracts Drop 3 Percent in February .....May 82
Construction Cost Index Shows Third Quarter Rise .....December 66
Construction Slowdown? November Awards Drop .....January 178
Current Construction Outlays Rise 11 percent in May .....July 85
Customs Are No Support in Court, by William Hurd Hillyer .....May 129
Damper Location Is Key to Balancing Air Conditioning System, by Samuel R. Lewis .....May 101
Data File .....January 179
Determining Carbon Steel Piping Expansion, by Robert J. Rubey .....January 181
Determining Pipe Support Spacing, by T. E. Bridge .....January 183
Didn't Know His Own Name, by William Hurd Hillyer .....April 131
District Heating Steam Sales Increase 6.3 Percent as reported at 48th Annual Meeting of NDHA, by John F. Collins, Jr. .....August 84
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by K. M. Wilson, May, 1956 discussion on by W. M. Flanagan .....March 87
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by K. M. Wilson, May, 1956 discussion on comments published on this subject, November, 1956, by Albert Giannini .....March 87
Do "Base Bid" Specifications Reduce Costs, Improve Quality? by Kenneth M. Wilson, May, 1956—discussion on by N. E. Jennison .....April 88
Does It have the Right Motor? by H. G. Nafe .....January 167
Does It Have the Right Motor? by H. G. Nafe .....February 166
Downhill Pipe Welding to Get Emphasis, Contractors Decide .....July 104
Duct Design Nomograph, by Robert W. Ruppert .....January 182
Engineering Societies Purchase N.Y. Site for New Headquarters .....September 81
Fabricate 170 Tons of Piping, by W. W. Armstrong .....September 120
15 Percent Rise Seen for Air Conditioning in 1957 .....January 130
Firm's Library Organized for Ready Reference .....June 85
Flow Chart Speeds Design of High Pressure Gas Piping, by William J. Whatley .....February 193
Flow Chart Speeds Design of Low Pressure Gas Piping, by William J. Whatley .....March 135
For Greater Comfort, Furnishings Should be Poor Heat Conductors, by Paul L. Geiringer .....January 134
4th Apprentice Contest Set for August 12-16 .....June 86
Fuel Industries "Haven't Seen Anything Yet," by Clyde Williams .....January 150
Fuel Oil Systems with Rotary Pumps, by M. K. Bond, October, 1956—discussion on by G. W. Bohn .....February 141
Fuel Oil Systems with Rotary Pumps, by M. K. Bond, October, 1956—author replies to comments by G. W. Bohn, February, 1957 .....February 141
Future Construction Contract Awards Drop 9 Percent in April .....July 85
Gas Industry 1956 Peak Breaks All Records, 1957 to be Greater .....February 192
Gas Industry Sales Show 8.6 Percent Increase in July, 1957 .....November 101
Get It in Writing, by William Hurd Hillyer .....November 145
Glass Encased Sun Screen Reduces Heat Gain .....October 119
Good English Is Essential, by William Hurd Hillyer September 132
Hard Coal Comeback Is It Solid? .....February 138
Having Trouble with Vacuum Pump? by Lewis Smith September 139
Here are Basic Principles of Air Curtain Design .....August 112
Here's Why Solar Heating Lags, by R. C. Jordan .....July 111
High Temperature Hot Water Pipe Sizing, by J. R. Kell .....January 180
Hospital Construction Up 54 Percent .....September 81
Hot Water Heating Pipe and Tube Sizing, by George D. Beals .....January 179
How's to Apply Semi-Rigid Duct Insulation for Heating and Air Conditioning Systems, by J. L. Mohun .....April 135
How to Balance High Velocity Air Conditioning Systems, by William J. Waeldner .....March 132
How to Balance High Velocity Air Conditioning Systems, by William J. Waeldner .....May 130
How to Balance High Velocity Air Conditioning Systems, by William J. Waeldner, March, 1957 and May, 1957 — discussion on by W. L. Batchelor .....July 91
How to Balance High Velocity Air Conditioning Systems, by William J. Waeldner, March, 1957 and May, 1957 — discussion on by N. S. Shataloff .....June 89
How to Balance High Velocity Air Conditioning Systems, by William J. Waeldner, March, 1957 and May, 1957 — discussion on comments by N. S. Shataloff, June, 1957 and W. L. Batchelor, July, 1957, by William J. Waeldner .....December 69
How Buildings Figure Air Conditioning Expense .....January 130
How Can I Collect from Client? — Client Needs More Selling; Completely Review Transaction with Him, by Fred Kull .....February 148
How Can I Collect from Client? — Delivery Problem, Not Sales Problem; Change Thermostat Reading, by Siegfried Rüppright .....January 136
How Can I Collect from Client? — Educate Client in Fundamentals; Show Capacity is 15 Percent Above Specs, by K. R. Goddard .....January 140
How Can I Collect from Client? Queer Argument Takes the Cake; Contract Specs Make It Absurd, by Lewis Smith .....February 146
How Can I Collect from Client? — Similar Troubles Caused by Stack Effect and Cross Connected Controls, by Lee C. Gatewood .....January 136
How Can I Collect from Client? — Toys Relieve Tension, Help Explain Scientific Facts and Conditions, by Thomas McLaughlin .....February 146
How Can I Collect from Client? November, 1956 — discussion on by Osk. R. Gaube .....April 87
How Can I Collect from Client? November, 1956 — discussion on by Louis P. Truchon .....April 87
How to Erect High Pressure Ducts for Air Conditioning Systems, by K. A. J. Monier .....July 141
How Facts Help City Control Smoke, by Samuel R. Lewis .....March 127
How to Figure Pipe Lap Thickness, by A. R. C. Markl .....April 102
How to Find Equivalent Lengths of Elbows in Rectangular Ducts, by Julian T. Eubanks .....December 119
How Giant Brains Aid Piping Design, by John E. Brock .....May 106
How Giant Brains Aid Piping Design, by John E. Brock .....June 106
How Giant Brains Aid Piping Design, by John E. Brock .....July 116
How Giant Brains Aid Piping Design, by John E. Brock, May, June, and July, 1957 — discussion on by Peter Strong .....

.....October 83
How to Increase Efficiency Of Plant Piping Systems, by Robert J. Pinske .....May 120
How to Install Centrifugal Fans, by R. G. Lubinsky .....January 158
How to Install Snow Melters Using Copper Water Tube, by N. W. Smith .....May 126
How Much Air Conditioning in 1957? by George S. Jones, Jr. .....January 148
How to Predict Fan Noise Levels .....June 139
How to Reduce Power Exhauster Noise, by I. I. Solzman .....September 134
How to Select the Right Fan For Heat and Altitude Applications, by G. Jack Trickler .....October 127
How Should Piping Be Connected Between Two Hot Water Storage Tanks? — Connect Tanks in Parallel To Equalize Storage, by James J. Coleman .....June 92
How Should Piping Be Connected Between Two Hot Water Storage Tanks? — Cross Connect Pipe Lines So Both Tanks Function as One Unit, by Sheldon R. Higgins .....June 96
How Should Piping Be Connected Between Two Hot Water Storage Tanks? — Provide Controls to Allow Withdrawing Water in a Stepwise Manner, by H. B. Wayne .....June 92
How Should Piping Be Connected Between Two Hot Water Storage Tanks? by Sheldon R. Higgins, June, 1957 — discussion on by Sol Schwartz .....November 105
How Should Piping Be Connected Between Two Hot Water Storage Tanks? by Sheldon R. Higgins, June, 1957 — author replies to comments by Sol Schwartz, November, 1957 .....November 105
How Should Radiators Be Connected In Reverse Return Systems? — Make Supply, Return Connections At Bottoms to Insure Operation, by I. D. Patterson .....December 72
How Should Radiators Be Connected In Reverse Return Systems? — Pitch Headers in Direction of Flow; Install Vents to Relieve Air, Gases, by H. B. Wayne .....December 72
How 10 Cases of Wrong Design Were Corrected, by C. T. Baker .....April 107
How Thermal Factors Affect Comfort, by E. R. Kaiser .....August 109
How Trial and Error Evaporative Cooling Pioneered Air Conditioning, by Logan Lewis .....June 112
How Trial and Error Evaporative Cooling Pioneered Air Conditioning, by Logan Lewis, June, 1957 — discussion on by S. F. Duncan .....August 67
How, When, and Where to Use Air Cooled Condensers, by Warren Viessman, September, 1956 — discussion on by J. Matsumoto .....June 90
How, When, and Where to Use Air Cooled Condensers, by Warren Viessman, September, 1956 — author reply to comments by J. Matsumoto, June, 1957 .....June 90
How, Where and When to Use Air Cooled Condensers, by Warren Viessman, September, 1956 — discussion on by Thomas A. Lowe .....April 88
Hydronics Is New Name for Hot Water Heating-Cooling .....July 86
I Converted These Systems To Forced Circulation Hot Water, by Samuel R. Lewis .....December 95
Install Fans as Tested to Develop Ratings .....January 160
Looking at Electric Heating for Today and Tomorrow, by Samuel R. Lewis .....January 178
Los Angeles Industries Switch To Gas on Smoggy Days to Reduce Air Pollution .....December 94
Make Sure Bid-Taker is Authorized, by William Hurd Hillyer .....October 115
"Master Plan" Trend Up for Air Conditioning .....March 84
Mechanic's Lien is Delicate Mechanism, by William Hurd Hillyer .....December 96
Musts in Designing Air Systems, by Samuel R. Lewis .....November 162
"Name Subcontractors in Bid" Urge Mechanical Contractors .....July 102
Natural Gas Reserves Show Greatest Year Gain .....July 127
Natural Hot Springs Heat Iceland, by William J. Whatley .....April 99
Natural Hot Springs Heat Iceland, by William J. Whatley, April, 1957 — discussion on by W. L. Cooke .....May 86
Need Adequate Engineering to Prevent Foul Air, by C. T. Baker .....November 137
New Chicago Ventilation Code Awaiting Approval .....June 110
New Construction Activity at Record February High .....April 84
New Electric Heating, Cooling Developments Marked at Conference —Don't Assume Economy Is Principal Feature .....May 119
New Electric Heating, Cooling Developments Marked at Conference —Electricity to Heat School for 1200 Pupils .....May 118
New Electric Heating, Cooling Developments Marked at Conference — Interest in Commercial Space Heating Rises .....May 118
New Electric Heating, Cooling Developments Marked at Conference — High Air Quantity Is Heat Pump Advantage .....May 119
1957: The Boom Rolls On .....January 146
1957 Construction May Top $64 Billion .....May 81
Nomogram Helps Find Outlet Area for Downward Jet of Heated Air .....January 187
Oil Burner Shipments Rise 13 Percent .....April 84
Oil Burner Shipments Up 3 Percent in 1956 .....March 83
Operating Hours for Air Conditioning .....January 186
Oral Agreement Proves Costly, by William Hurd Hillyer .....March 131
Orders for Large Equipment Up 18 Percent .....June 85
Oxygen Scavenger Combats Boiler Tube Corrosion, by A. John Friedsam and Eric R. Woodward .....January 164
Package Air Conditioner Sales to Rise .....August 74
Pipe Fitter Apprentices Display Many Skills, by Samuel R. Lewis .....October 105
Piping "Trinkets" Increase Efficiency, Convenience, Economy, and Safety of Piping Systems, by G. W. Hauck .....September 115
Planning to Use Water for Air Conditioning Design? by John F. Hoffman .....August 96
Plastic Pipe Problems Being Unkinked .....February 138
Portable Instruments Outmode Trial and Error Balancing of Central Hot Water Heating Systems, by J. P. Duffy and W. J. Bailey .....November 142
Power Shortage Hits Two Cities — Can It Happen Again Somewhere? .....September 102
Predicts "Humiture" Will Become Universal Comfort Index, by Osborn Fort Hevener .....October 83
Preheat Coils Freeze in 20 F Range, by Samuel R. Lewis .....April 117
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler .....October 116
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957 — discussion on by Lee P. Hynes .....November 106
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957 — discussion on by George G. Nash .....November 106
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957 — discussion on by Kalman Steiner .....November 106
Prime Contractor Obligated, by William Hurd Hillyer .....August 99
Proclaim October 6-12 Fire Prevention Week .....October 80
Record Construction Levels to Continue in 1957 .....January 147
Reflective Wall Lining Reduces Body Heat Loss in Arctic Structure, by C. P. Yaglou, C. E. Newton, and D. W. Marble, March, 1957 — discussion on by Norman H. Ostrin .....October 84
Report New Methods for Air Conditioning, Large Buildings .....July 107
Roof Sprinklers Cut Solar Heat Gain, by J. A. d'Entremont and M. Bigelow MacPherson .....November 149
Schoemann Speaks on Mutual Goals at Recent Mechanical Contractors Convention .....July 106
See 5 Percent Increase In Dollar Volume in 1958 .....December 65
Sees Piping Color Code Safety Imperative .....March 84
Short Pipe Over Tube Speeds Cleaning Job .....February 183
Sizing Piping for Steam Supply and Condensate Return, by R. G. Lubinsky and M. J. Williams .....January 184
Sizing Vent Piping for Safety Valves, by Max W. Benjamin, October, 1941 — discussion on by F. M. RePass .....April 87
Specs Overlap; Contractors Fued, by William Hurd Hillyer .....January 177
Standardize Ratings for Air Moving Equipment .....October 79
Steam Pipe Line Construction Costs Reduced, NDHA Reports, by John F. Collins, Jr. .....September 111
Steel Production, Sales To Hit New Record in 1957 .....February 138
Strengthen Definition of Air Conditioning .....June 86
Study Vapor Transmission Rates, by Stuart Giles .....March 122
Suggests Two Sets of Standards Be Adopted for Spec Writing, by E. W. Klein, Jr. .....August 67
Teamwork Must Cure Air Ills Now, by Raymon B. Allen .....April 124
Thermal Ratings of Buildings Can

Be Uniformly Compared, by Willie Hammer, September, 1956 — discussion on by R. A. Parsons ..... July 92
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956 — author reply to comments by R. A. Parsons, July, 1957 ..... July 92
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956 — discussion on by Lewis Smith ..... February 144
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956 — discussion on comments by Lewis Smith, February, 1957, by Willie Hammer ..... April 87
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956 — discussion on by Paul H. Yeomans ..... February 141
Thermal Ratings of Buildings Can Be Uniformly Compared, by Willie Hammer, September, 1956 — author replies to comments by Paul H. Yeomans, February, 1957 ..... February 144
Tests Show Aluminum Alloy Welding Neck Flanges' Performance Equal to Carbon-Steel, by H. H. George, E. C. Rodabaugh, and M. Holt ..... October 95
Troubles and Suggestions, by Samuel R. Lewis ..... September 138
"200" Stainless Steels Made 1956 Breakthrough ..... March 83
U. S. Industries Hurt by Imports; Need Immediate Help ..... December 82
Underground Gas Storage Increasing Rapidly ..... August 63
Unique Form for Tabulating Weather Data ..... September 82
Vexed by Range of Costs, Capacities, by C. T. Baker ..... November 136
Want to Improve Your Technical Writing? by Kalman Steiner ..... August 102
Wartime Brass Mill Expansion Part of Import Problem's Cause, by T. E. Veltfort ..... December 84
